

Kellogg Boulevard Bridges

**Bridge Reconstruction
Market St. to Wabasha St.**

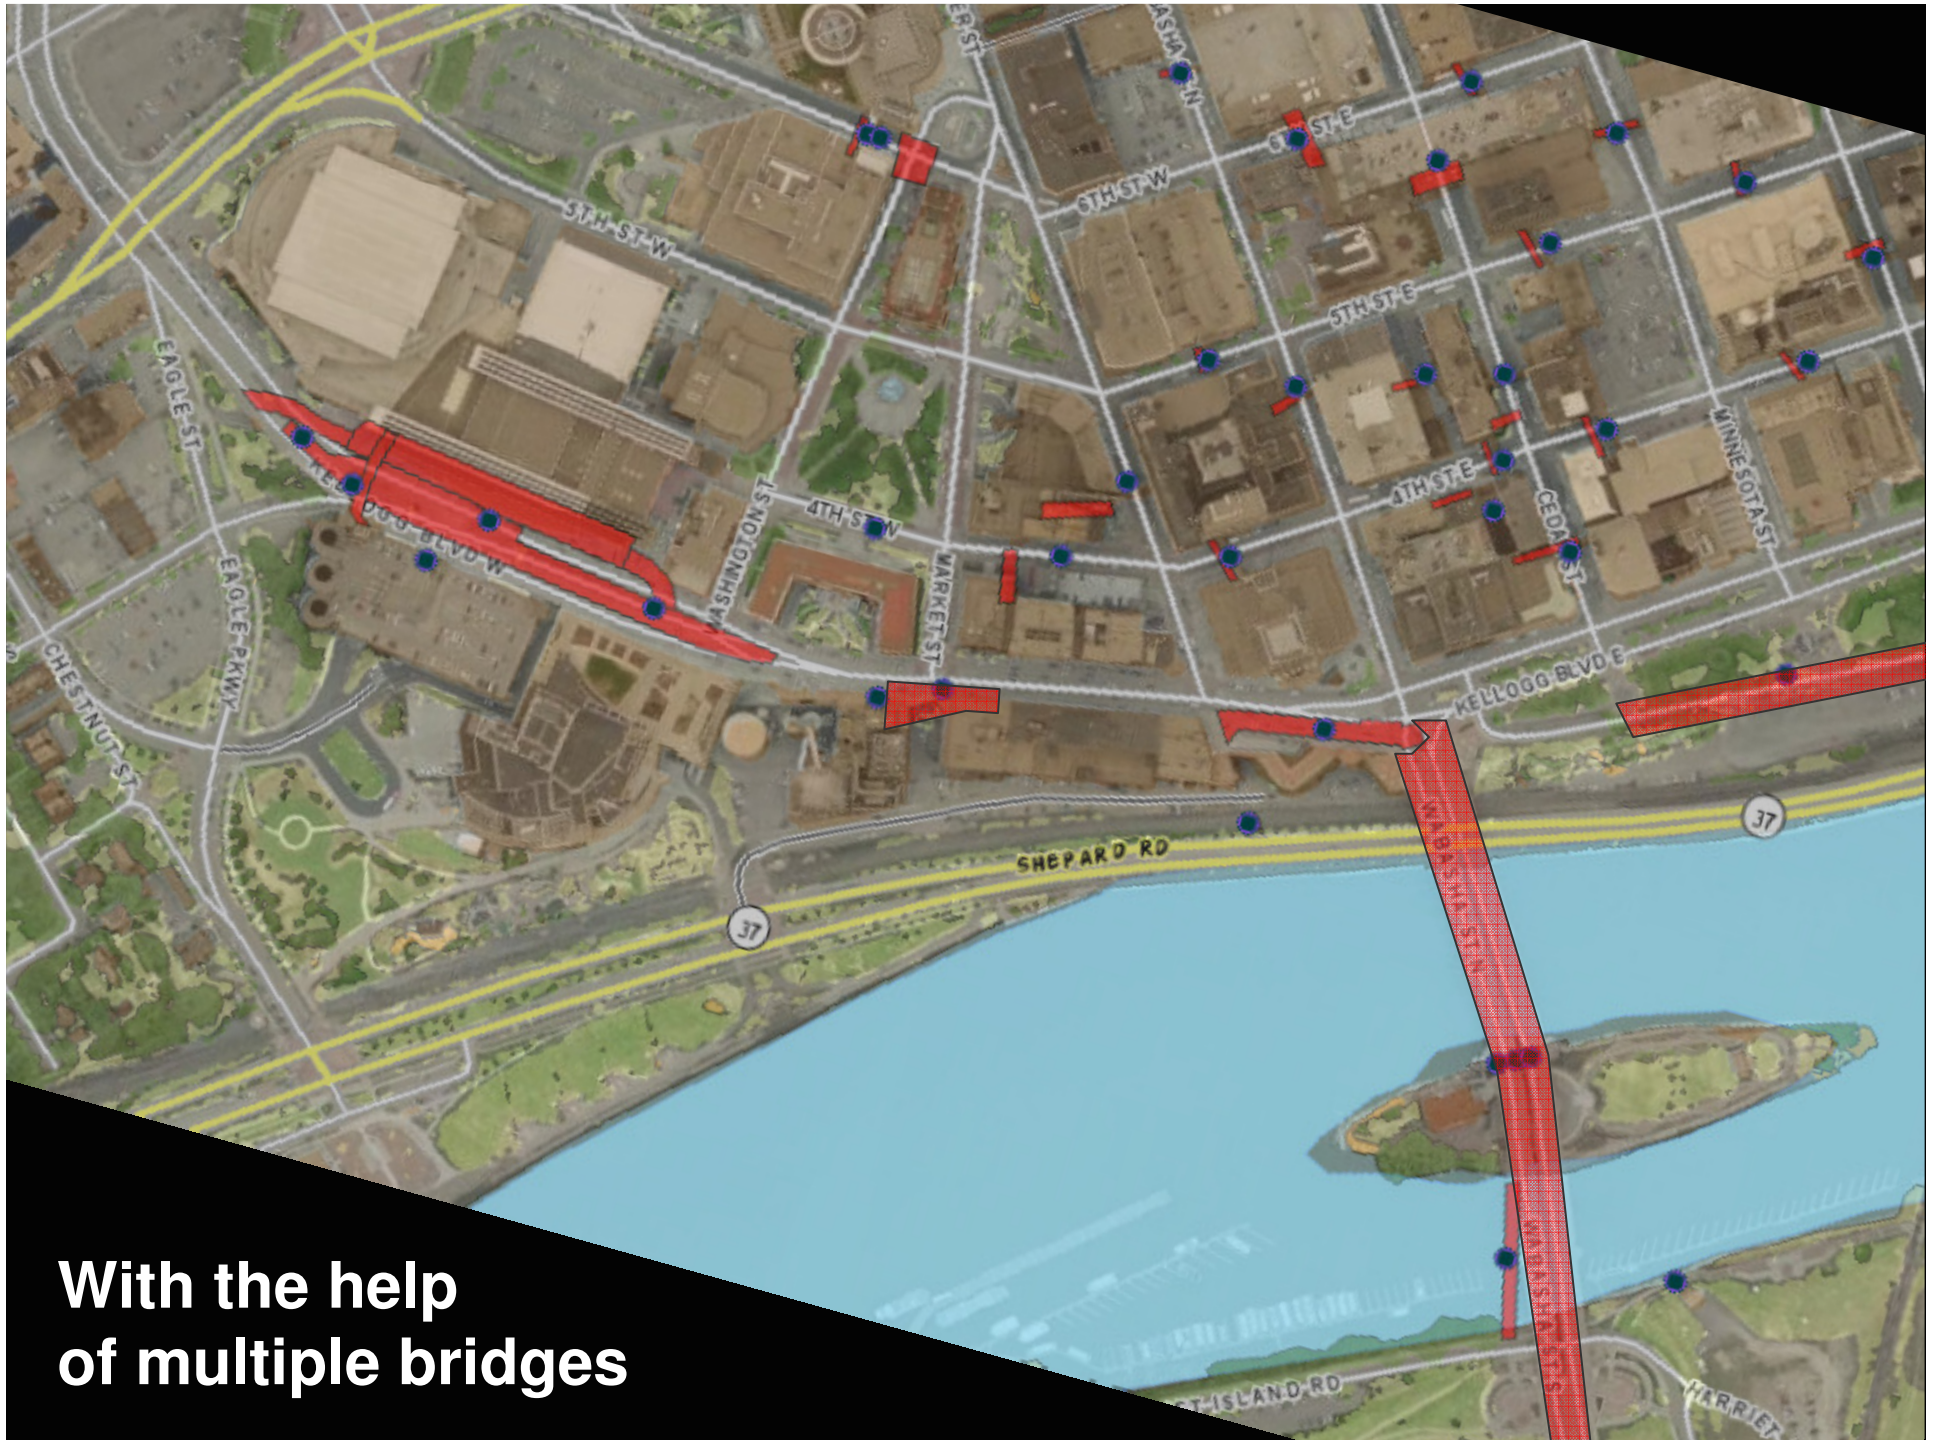

The Most Livable
City in America

**By the year 1915...
much of the downtown
bluff was platted and built upon**

**With the help
of multiple bridges**

Central Library

City Hall/Courthouse

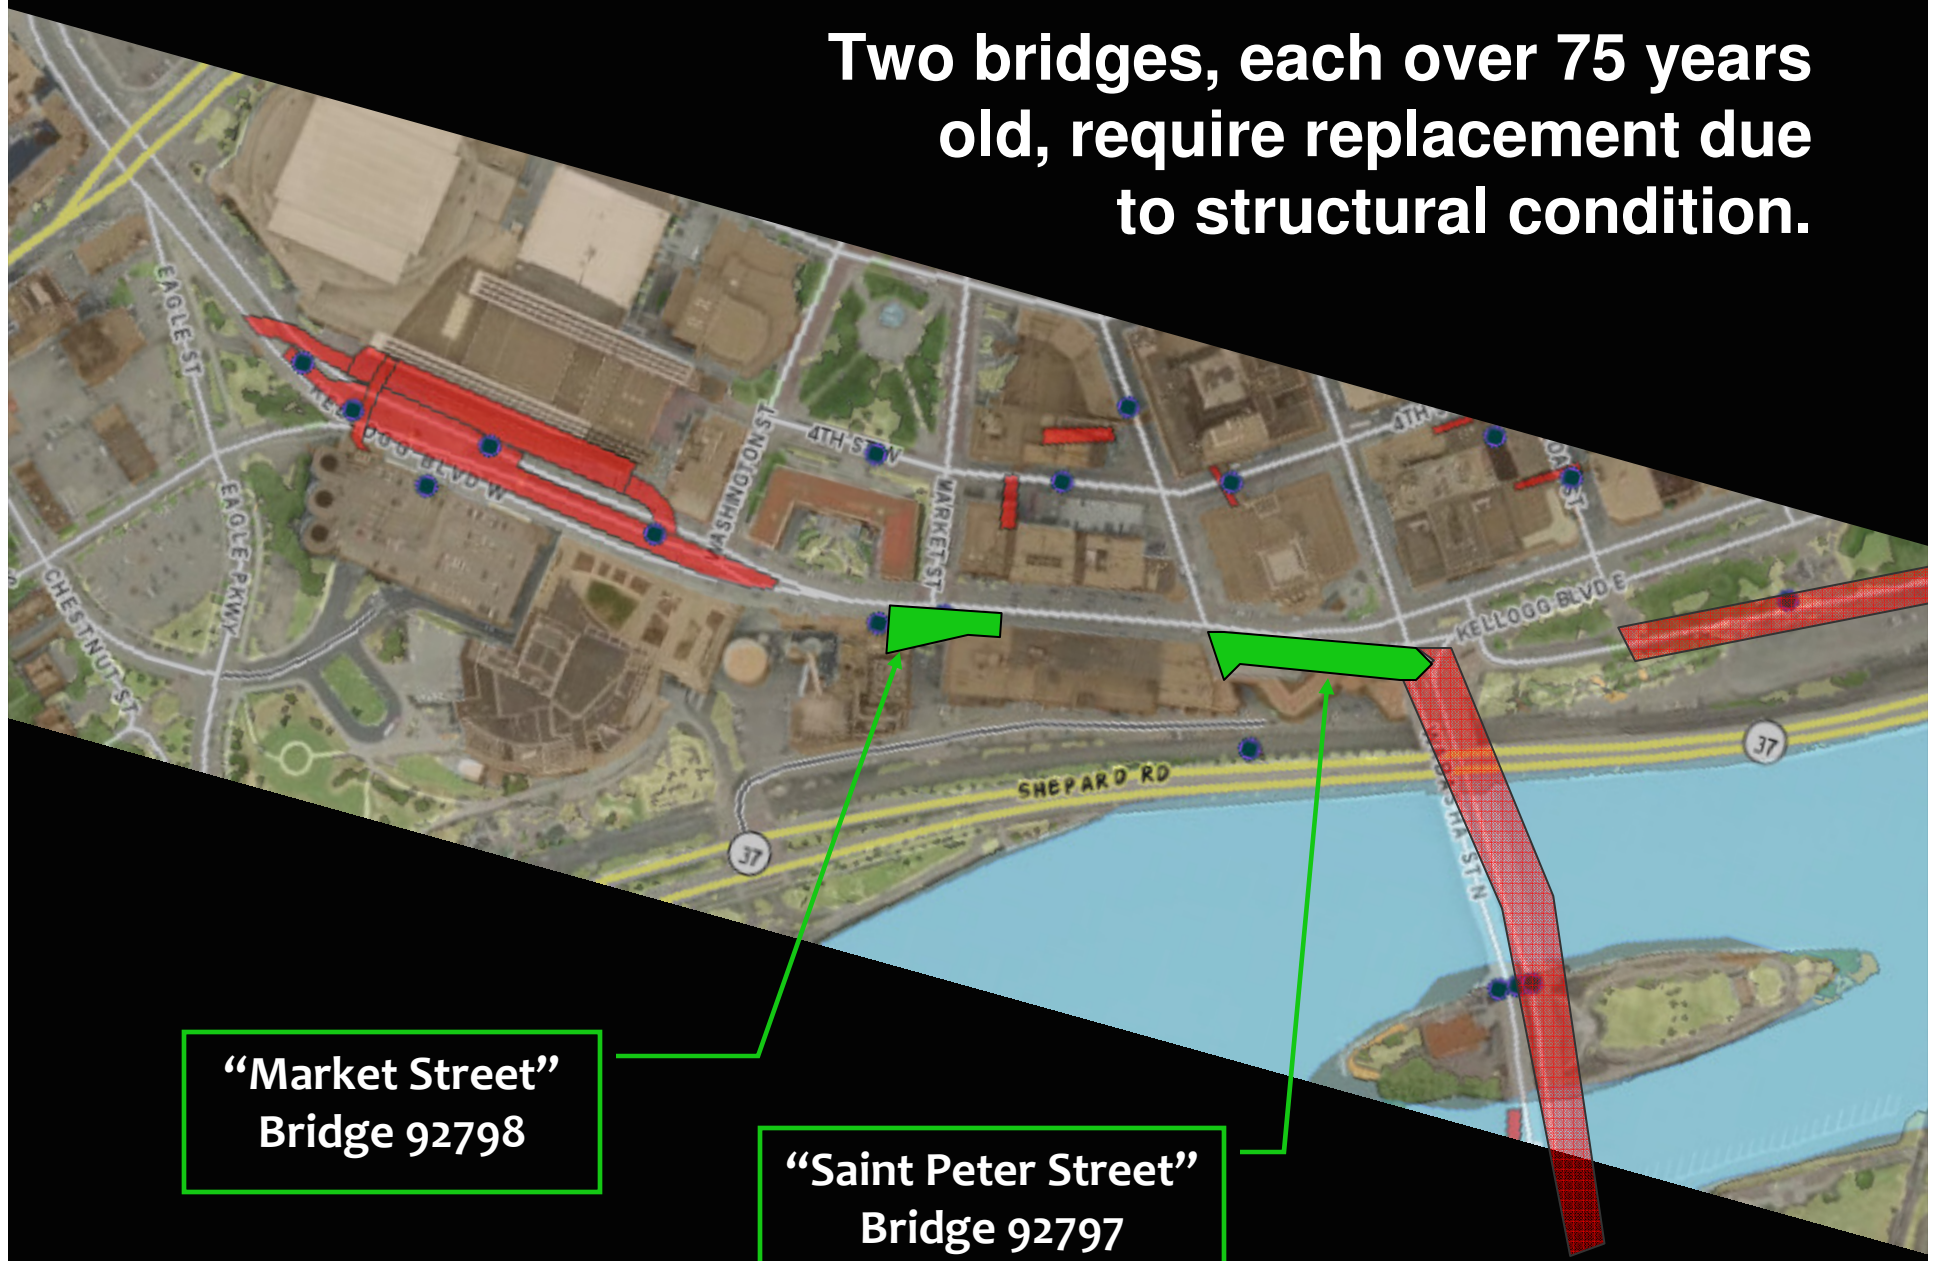

To the west...

...and to the east

Two bridges, each over 75 years old, require replacement due to structural condition.
